ABOUT

I'm an ambitious and talented web designer looking for a demanding position in a fast-paced company where I can use my knowledge of HTML, CSS, Javascript, and the adobe creative suite to build appealing and responsive websites. Delivering top-notch web designs that go above and beyond user expectations and boost company outcomes is something I'm passionate about.

EXPERIENCE

Since Feb 2022 - Present
Position - Web Designer

At: Weeb Innovation

With more than a year of experience creating responsive websites, a creative and knowledgeable web designer. Competent with adobe creative suite, js, html, and css. The objectives were creating a mobile-responsive design that increased user interaction, improving website performance metrics, and launching a new website. Able to collaborate well with developers, project managers, and stakeholders to create stunning web designs.
